Figures of Contemporary Art

Conquering Spirits

Author: Nathalie Obadia

Publisher : Le Cavalier Bleu

Category :

Genres : Art and Literature

Keywords : Contemporary art

The major figures of contemporary art, their close interconnectedness and interdependence.

Since the late 1960s, contemporary art has evolved within globalization and soft power, shaped by iconic artists, visionary curators, influential gallerists, collectors, and museums. Drawing on her dual role as gallerist and teacher, Nathalie Obadia highlights these key figures and the close interconnections that define today's art world.
