Valentin is lost! Will he ever find his way to the henhouse? A fun tour of various animal habitats.

Valentin the chick is lost. He can't find his way home! He sets out to ask his neighbors for help one by one, cheeping at the top of his voice: "Where is my home?" In a wooden birdhouse? In the smelly stable hay? In a nest perched in a farmyard tree? On a beautiful waterlily in the middle of the pond?

Dog, Horse, Blackbird, Frog: each defends its own territory. Thankfully, at journey's end, the hens are there to welcome Valentin: "Your home is the henhouse, chickie!"
