People can be really surprising!

Madame Hélène has a large house, and in the summer, she receives a steady stream of guests. Before they arrive, she repaints each room, furnishing and decorating it according to their tastes! For Mademoiselle Lucette, star ballerina, she devises a room of night and dark. Surely the deeply romantic Mademoiselle Rosette would appreciate pink, hearts, and plush pillows! For Monsieur Simon, a sea theme with aquarium, waterbed, and jacuzzi. But people can be really surprising, and no one goes for the room meant for them! How about that? Luckily enough, everyone is happy—and that's what counts!
