As a child, Louis Armstrong had a whole range of jobs (coal porter, paperboy, grave sweeper). But his favourite instrument, the one that set him dreaming, was the trumpet. Want to find out more about his story? Just turn the page! Louis Armstrong is a smile, a voice, a monumental figure... and so much more! Told through the prism of the artist's chosen instrument, this book unfolds Armstrong's destiny before our eyes, a biopic for children.
