Ding ding ding! It's back-to-school time!

Around the school gate, there's a buzz of excitement. How do the janitor, the principal, the teachers, the students, the parents, and the animals of the neighborhood experience this intense moment? This picture book, a fascinating exercise in style, explores the concept of point of view, tackling the theme of back-to-school humorously, from multiple perspectives. Fresh, inventive illustrations highlight a different character on each page.
