Somewhere between a western and a gore-tinged crime novel, a story of dazzling darkness and tenderness.

While on a night patrol across Utah's icy plateaus investigating a UFO seen by several witnesses, Sheriff Corey discovers an abandoned car. In one night, he encounters a 1952 green Hudson Hornet that shouldn't be there, an unmanned Sabre jet, and a white puma. The army and the FBI arrive, immediately turning up the pressure. Corey must confront his own past: the serial killer who murdered his parents and haunted his childhood has reappeared. A top-notch investigator, Corey sets off in pursuit...
