

100 Works That Tell the Story of Work

Author: Coll.

Publisher : Grand Palais - RMN Éditions

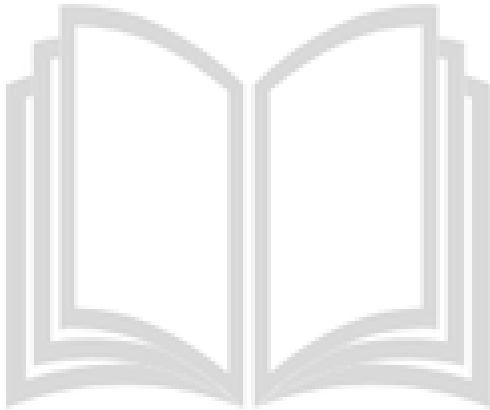

Category : Art

Genres : Reference Books

Keywords : Expertise

An interdisciplinary approach to understanding the role of work in the 19th century and in contemporary societies.

Art historians enter into dialogue with anthropologists, sociologists, and labor historians to offer a fresh perspective on 100 works from the Musée d'Orsay's collections and thereby examine the legacy of the 19th century.
