Antonio the clown heals throughout all four seasons. Teaches about painting (Arcimboldo) and music (Vivaldi)!

Antonio, the violinist clown, has hurt himself. Here he is, bedridden in his trailer as it jolts from town to town. His friend Autumn comes to visit. Winter, Spring, and Summer follow suit as the year goes on. Little by little, Antonio recovers... thanks to the passing of time, but also thanks to his friends' visits. Antonio's friends are inspired by Arcimboldo's four creatures, while the hero owes his name to Vivaldi and plays the violin like him. The seasons, in a nod to the painter and the maestro, are given pride of place. An audiobook with excerpts from Vivaldi's *Four Seasons*.
