Facing up to Evil

Author: Maxime Rovere

Publisher : Flammarion

Category :

Genres : Philosophy

Keywords : Care - Health - Resilience

What our fears have to tell us.

Suffering, dependence, and death – we'd rather not face them, yet they remain inevitable. Maxime Rovere challenges the idea of these trials as solitary, revealing them as deeply interactive experiences. What does it mean to suffer? How does care transform us? While philosophy can't replace care or defy death, it offers a path to understanding and resilience.
